

Through much searching and a few dead ends the Lord led us to this beautiful 2012 Nissan Caravan with a diesel engine with an automatic tranie, and bonus, it has 4 wheel drive!

Due to new government regulations and definitely the goodness of God, we were able to purchase this van for much less money than we anticipated. The full amount of funds was raised by you all at the " FUN RUN FOR KARE CHILDRENS HOME" event held last Spring.

We at KARE Malawi both in Canada and here in Malawi want to say a huge thank-you to all those who worked (and ran or walked) so hard to raise money for this

minibus and to all of you that contributed to make this awesome mini bus a possibility.

You all went way above and beyond. Thank-you so much!!

I know most of you are aware that since this time last year we have doubled the size of the children's home from 9 children to 18. This also includes bringing on 2 more staff to assist in caring for all the little ones. This and an annual average inflation rate of 20% has put us in a position of needing more people to partner with us in the work in Malawi each month.

Our goal is to double our partners this coming year in order to meet this need.

If you are not already partnering on a monthly basis please consider us as you do your year end giving and make your plans for next year. Any amount is a blessing to us and the work the Lord is doing here at KARE Malawi.

In His Service Together <JESUS><
Steward, Joan and The KARE Malawi team

PS ..giving is done easiest for most people by email transfer to admin@karemw.com or visit our webpage at www.karemw.com for other ways to donate. God bless you and thank you for considering us.
